#### 5. Forms of teaching

code	form of teaching			required hours of student's own work		assessment of the learning outcomes of the module
	type	description (including teaching methods)	number of hours	description	number of hours	
JB-S1-JB6-6_fs_1	practical classes	The workshops assume a considerable involvement on the part of the student – with elements of discussion and either written or oral feedback. The workshops are conducted in a manner that activates the students (e.g. projects, webquest, and case studies) and with the help of the latest information and multimedia technologies. The workshops involve also tasks that develop the students' competence in group work and teamwork.	30	Work with the obligatory literature, dictionary, exercises, complementary literature, and Internet sources. Learning and reinforcement of the knowledge and skills learnt during the classes. Preparation of oral and written forms (e.g. a project or a presentation).	30	JB-S1-JB6-6_w_1, JB-S1-JB6-6_w_2, JB-S1-JB6-6_w_3
