3. Module description	Module description				
·	The aim of the module is to acquaint students with the principles of intercultural communication, and in particular to shape their intercultural awareness and competence, with respect to the countries of the Middle East. The basic task is to prepare to use cultural differences (synergic communication) in a creative way, devoid of prejudices and stereotypes, as well as to minimize barriers resulting from cultural diversity of the Middle Eastern countries in everyday and professional practice.				
Prerequisites	No prerequisites.				

4. Assessment	4. Assessment of the learning outcomes of the module								
code type		description	learning outcomes of the module
