5.	Degree profile	general academic
6.	Mode of study	full-time

<b>7. General information about the module</b>	
<b>Module name</b>	<b>Internship</b>
Module code	W3-DP-S1-P
Number of the ECTS credits	6
Language of instruction	Polish
Purpose and description of the content of education	The main purpose of a student internship is to confront the knowledge acquired during studies with the requirements of the labor market, to develop skills useful in the profession, to learn about practical issues related to work, as well as to familiarize the student with professionals appropriate for specific industry and work culture. Through the implementation of an internship, students can test their knowledge in real conditions, verify it in particular situations, and present their potential to future employers.
List of modules that must be completed before starting this module (if necessary)	not applicable
