<b>7. General information about the module</b>	
<b>Module name</b>	<b>Developmental tutoring</b>
Module code	W3-SP-S1-TR
Number of the ECTS credits	1
Language of instruction	Polish
Purpose and description of the content of education	A module focused on the holistic (integral) development of students. Particular emphasis is placed on developing self-activity and responsibility for one's scientific, personal and professional development. The module aims to work within the scope enabling students to identify their resources, talents, strengths and development challenges in the selected area. Working organized in such a way allows you to develop your potential, plan your development, and also contributes to increasing self-awareness by deepening reflection on your own experience in various areas.
