7. General information about the module	
Module name	Diploma seminar (A)
Module code	W3-SP-S1-SD(A)
Number of the ECTS credits	3
Language of instruction	Polish
Purpose and description of the content of education	The module aims to initially identify the social problem to which the activities will be devoted. During the seminar work, students prepare a diploma thesis outline and search for literature on the subject. They learn about design and develop research tools for in-depth diagnosis of needs and resources. They also explore the ethical aspects of writing a research paper and the researcher's attitude. The module is the first part of work on a social project and is continued in the following two semesters.
