7.	General information about the module	
Module name		Workshop III the relationship between space and language 2
Module code		S1_AR_PDW_III_PJ2
Number of the ECTS credits		2
Language of instruction		Polish
Purpose and description of the content of education		The module is a continuation of the classes from the first part of the workshop and contains in-depth and extended content regarding the implementation of artistic works based on the relationship between language and space, as well as means of expression and workshop skills in the field of lettering, typography and installation. Its aim is to deepen knowledge in the field of artistic works based on the relationship between language, space and means of expression, preparing the student to create their own artistic works used in the art therapy process and to make conscious choices regarding the content and means used. The implementation of the tasks is intended to deepen the student's sensitivity and enrich it with experience that combines acquired artistic skills with therapeutic practice.
