6.	Mode of study	full-time

7.	General information about the module

Module name	Internship
Module code	W3-MS-S2-P
Number of the ECTS credits	6
Language of instruction	Polish
Purpose and description of the content of education	The purpose of the module is to apply the knowledge gained during the course of studies in professional work. As part of the internship, students become familiar with the specifics of their profession, expand and acquire new skills in teamwork, including international teamwork, learn time management, responsibility and reliability, effective communication, and use language competence. Professional internships are carried out in institutions selected by the students, which can be the place of employment for graduates of the course. These may include diplomatic and consular posts, public administration institutions, organizations, government and local administration, international organizations and institutions of the European Union, or others, according to the field of study. The module also aims to familiarize students with the specifics of the professional environment in which internships are carried out.
List of modules that must be completed before starting this module (if necessary)	not applicable
