7.	General information about the module

Module name	Monographic Lecture 2
Module code	W6-AK-S2-WM.2
Number of the ECTS credits	3
Language of instruction	Polish
Purpose and description of the content of education	The "Monographic Lecture 2" module aims to introduce the student to the anthropological/ethnological perspective of research, analysis and interpretation of socio-cultural phenomena on both a national and global scale. This perspective will be presented in various perspectives; both global and specific. During the meetings, students will become familiar with the most important theoretical approaches in social sciences and humanities, which will enable them to understand social relations and the mechanisms governing them. The aforementioned issues will be discussed based on domestic and/or foreign literature on the subject. The topics of the classes are to encourage students to reflect on the complexity of socio-cultural problems, especially in the conditions of the deepening multiculturalism of the contemporary world.
