		FA2_W06	1

3. Module description

Description	The course aims at improvement of communication ability in the area of written academic texts and at students' ability to write master thesis. The primary aim of the course is to make students aware of plagiarism, including unintentional plagiarism, as well as to broaden the knowledge of the principles of library queries, writing the bibliographic description and quoting sources in a text. Students effectively use the academic style.
--------------------	---

Prerequisites	First-cycle studies graduation (assuming i.e. student's participation in the B.A. seminar seminar and student's advanced level of English).
----------------------	---
