TC-S2-JC3-KW-3_W2	has got the knowledge about appropriate extraverbal communication and CHinese etiquette and the cultural and social difference between the East and the West, knows Chinese social life's specificity	FA2_W08	4

3. Module description	
Description	the students develop their speaking abilities in Chinese on B2 level (upper-intermediate) - they develop their fluency, linguistic accurateness and pronunciation. Also, they develop their communicational skills and interaction skills. Additionally they get familiarized with the specificity of Chinese business etiquette and knowledge about Chinese social life. The major emphasis is put on the vocabulary development (especially theme oriented - due to the covered material in class) and development of the language and cultural awareness. In class, the lecturer may use various topics which enable discussion and engage students to work in class encouraging their interest development
Prerequisites
