

1.	Field of study	English Philology
2.	Faculty	Faculty of Humanities
3.	Academic year of entry	2019/2020 (winter term)
4.	Level of qualifications/degree	second-cycle studies
5.	Degree profile	general academic
6.	Mode of study	part-time
7.	ISCED code	0232 (Literature and linguistics)
8.	Connection between the field of study and university development strategy, including the university mission	<p>The programme realizes the following tasks included in the strategy of the University of Silesia:</p> <ul style="list-style-type: none"> <li>-increasing the diversity and flexibility of modes of study (part-time, modular, postgraduate, lifelong learning and various combinations of the aforementioned) in order to gain new groups of potential candidates</li> <li>-enhancing the competitiveness of the offer on both Polish and international education market</li> <li>-overcoming the regionalization of the University: attracting students from regions other than Silesia</li> <li>-enriching the offer of the University in new and innovative programmes</li> <li>-constant improvement of the quality</li> <li>-including domestic and international academic mobility in curricula</li> <li>-taking the role of foreign languages (especially English) into consideration in internationalizing of the education offer</li> <li>-using and developing modern computer and information technologies for more individualised education</li> <li>-cooperation with business and industry</li> <li>-enabling students to achieve high qualifications preparing them to professional work; taking the social environment into consideration</li> <li>-improving systems monitoring alumni career paths</li> <li>-creating programmes which are both specialized and interdisciplinary</li> <li>-providing students with flexible education programmes, open to continuing vocational training</li> <li>-individualizing education programmes (the system of tutoring) and promoting the best students</li> <li>-engaging outstanding students in scientific research</li> </ul>
9.	Number of semesters	4
10.	Degree	magister (Master's Degree)
11.	Specializations	Culture-Media-Translation English Studies: Teacher Training Programme English-Polish Translation and Interpreting Foreign Language for Business Purposes
12.	The semester from which the specializations starts	1
13.	Percentage share of scientific or artistic disciplines in education (along with the indication of the leading discipline)	<ul style="list-style-type: none"> <li>• <i>[leading discipline]</i> linguistics (humanities): 85%</li> <li>• culture and religion studies (humanities): 5%</li> <li>• communication and media studies (social sciences): 3%</li> <li>• literary studies (humanities): 3%</li> <li>• information and communication technology (engineering and technology): 2%</li> <li>• education (social sciences): 1%</li> <li>• psychology (social sciences): 1%</li> </ul>
14.	Percentage of the ECTS credits for each of the scientific or artistic	Culture-Media-Translation: <ul style="list-style-type: none"> <li>• <i>[leading discipline]</i> linguistics (humanities): 65%</li> </ul>

<p>disciplines to which the learning outcomes are related to the total number of ECTS credits (along with the indication of the leading discipline)</p>	<ul style="list-style-type: none"> <li>• culture and religion studies (humanities): 23%</li> <li>• literary studies (humanities): 8%</li> <li>• communication and media studies (social sciences): 4%</li> </ul> <p>English Studies: Teacher Training Programme:</p> <ul style="list-style-type: none"> <li>• <i>[leading discipline]</i> linguistics (humanities): 92%</li> <li>• education (social sciences): 3%</li> <li>• psychology (social sciences): 3%</li> <li>• literary studies (humanities): 2%</li> </ul> <p>English-Polish Translation and Interpreting:</p> <ul style="list-style-type: none"> <li>• <i>[leading discipline]</i> linguistics (humanities): 92%</li> <li>• communication and media studies (social sciences): 4%</li> <li>• literary studies (humanities): 4%</li> </ul> <p>Foreign Language for Business Purposes:</p> <ul style="list-style-type: none"> <li>• <i>[leading discipline]</i> linguistics (humanities): 96%</li> <li>• communication and media studies (social sciences): 4%</li> </ul>
<p>15. Number of ECTS credits required to achieve the qualification equivalent to the level of study</p>	<p>Culture-Media-Translation: 120,          English Studies: Teacher Training Programme: 120,          English-Polish Translation and Interpreting: 120,          Foreign Language for Business Purposes: 120</p>
<p>16. Percentage of the ECTS credits for optional modules in relation to the total number of ECTS credits</p>	<p>Culture-Media-Translation: 49%,          English Studies: Teacher Training Programme: 40%,          English-Polish Translation and Interpreting: 38%,          Foreign Language for Business Purposes: 33%</p>
<p>17. Total number of ECTS credits that a student must obtain in the modules taught</p>	<p>Culture-Media-Translation: 90,          English Studies: Teacher Training Programme: 114,          English-Polish Translation and Interpreting: 118,          Foreign Language for Business Purposes: 118</p>
<p>18. Number of ECTS credits that a student must obtain in modules assigned to disciplines within the humanities or social sciences (not less than 5 ECTS) - in the case of fields of study assigned to disciplines within the fields other than, respectively, humanities or social sciences</p>	<p>Culture-Media-Translation: 120,          English Studies: Teacher Training Programme: 120,          English-Polish Translation and Interpreting: 120,          Foreign Language for Business Purposes: 120</p>
<p>19. Graduation requirements for a particular specialization</p>	<p><u>Culture-Media-Translation</u></p> <p>The studies are completed once students have filed their Master's thesis in English literary studies, in English-speaking-world culture, in media, or in translation studies and have taken the Master's exam.</p> <p>The graduates receive a megisterium (Master of Arts) degree in English studies. The graduate obtains a diploma with a magister</p>

		<p>(Master's) degree with a supplement. The supplement to the diploma contains the list of teaching modules, the number of teaching hours together with ECTS points, the list of obtained grades, information concerning awards obtained by the graduate and their other achievements.</p> <p><u>English Studies: Teacher Training Programme</u></p> <p>The studies are completed when students file their master's thesis in linguistics or teaching methodology and take the master's exam. A graduate obtains a diploma with a master's degree together with a supplement. The supplement to the diploma contains the list of subjects, the number of hours together with ECTS points, the list of obtained grades, information concerning obtained awards and a student's other achievements.</p> <p><u>English-Polish Translation and Interpreting</u></p> <p>The studies are completed when students file their master's thesis in linguistics or translation and take the master's exam. A graduate obtains a diploma with a master's degree together with a supplement. The supplement to the diploma contains the list of subjects, the number of hours together with ECTS points, the list of obtained grades, information concerning obtained awards and a student's other achievements.</p> <p><u>Foreign Language for Business Purposes</u></p> <p>The studies are completed when students file their master's thesis and take the master's exam. A graduate obtains a diploma with a master's degree together with a supplement. 		<p>acquired in their studies. Credits are given upon the presentation of an internship report, including the description of job duties, prepared by a student and confirmed by an employer.</p>
22.	Total number of ECTS credits that a student must obtain in internships	<p>Culture-Media-Translation: 0, English Studies: Teacher Training Programme: 6, English-Polish Translation and Interpreting: 2, Foreign Language for Business Purposes: 2</p>
23.	<p>Number of ECTS credits - higher than 50% of the total number of credits - that a student must obtain:</p> <ul style="list-style-type: none"> <li>in general university programmes within a module connected with research carried out in the scientific or artistic disciplines to develop his/her knowledge and research skills;</li> <li>in practical programmes within a module to develop practical skills</li> </ul>	<p>Culture-Media-Translation: 115, English Studies: Teacher Training Programme: 74, English-Polish Translation and Interpreting: 88, Foreign Language for Business Purposes: 93</p>
24.	General description of the programme	<p>The basis of the English philology program equal for all the specializations being a combination of practical and theoretical knowledge and literature knowledge, 2nd degree studies, apart from humanistic subjects and lectures, also cover various subject modules equal to each specialisation</p>
25.	General description of the specialization	<p><u>Culture-Media-Translation</u> This programme (specialisation) of studies offers extended and deepened studies in culture of the English-speaking world, semiotics of culture, translation studies and media studies. The graduate of the specialisation is a well educated English studies professional, whose competencies combine proficiency in English with theoretical knowledge of cultural, literary, and translation theory. The studies prepare for a career in media, public relations and other areas of business and cultural and social life - anywhere where a comprehensive understanding of cultural and social mechanisms of the contemporary world is seen as an asset. This specialisation aims to develop the graduates' humanistic worldview, enriched with a practical skillset in translation and media (based on the communication theory seen as a social and cultural phenomenon), which directly influences the graduates' desirability as potential employees in the institutions and business where such knowledge and competencies are required and valued.</p> <p><u>English Studies: Teacher Training Programme</u> A graduate of supplementary MA studies, teaching specialization is characterized by extensive general education and high competences in the field of SLA and practical use of English. They are characterized by a near-native level of competence in English. They have extensive knowledge in the field of history, culture and literature of English-speaking countries. They have also extensive knowledge and well-developed skills concerning teaching methodology and pedagogy and are ready to work as foreign language teachers at all levels of education. A graduate is prepared to use their knowledge and language skills at work (e.g. in schools, mass-media such as TV, radio or the Internet, travel agencies etc.).</p> <p><u>English-Polish Translation and Interpreting</u> A graduate of supplementary MA studies, translation specialization is characterized by extensive general education in the field of humanities, as well as specialized knowledge in the field of translation studies, linguistics and literature. They have thorough and detailed knowledge and skills concerning the use of English. They are fluent in English and they have extensive knowledge concerning the</p>

culture of English-speaking. The studies prepare students to become translators and interpreters: they can interpret consecutively and simultaneously spoken texts, as well as translate general, specialized and artistic written texts. A graduate is prepared to use their knowledge and language skills at work (e.g. in translation agencies, mass-media such as TV, radio or the Internet, travel agencies, departments of international co-operation etc.).

Foreign Language for Business Purposes

A graduate of supplementary MA studies, business English specialization is characterized by extensive general education in the field of humanities, as well as specialized knowledge in the field of linguistics and translation studies. They have thorough and detailed knowledge and skills concerning the use of English. They are fluent in English and they have extensive knowledge concerning the culture of English-speaking. The studies also prepare students to become translators and interpreters: they can interpret consecutively and simultaneously spoken texts, as well as translate general and specialized written texts. They are familiar with specified professolects. A graduate is prepared to use their knowledge and language skills at work (e.g. in translation agencies, mass-media such as TV, radio or the Internet, travel agencies, departments of international co-operation etc.).
