

1.	Field of study	Scientific Information and Library Science
2.	Faculty	Faculty of Humanities
3.	Academic year of entry	2022/2023 (winter term), 2023/2024 (winter term)
4.	Level of qualifications/degree	first-cycle studies
5.	Degree profile	general academic
6.	Mode of study	full-time

Code of the learning outcome of the programme	Learning outcomes The graduate:	Codes of the second-order PRK characteristics to which the learning outcome of the programme is related
KNOWLEDGE		
K_W01	The graduate has a basic understanding of the place and importance of humanities and social sciences in the system of sciences.	2018_P6S_WG
K_W02	The graduate has a basic knowledge of the role of different types of actors (persons and institutions) in communication processes in the past and present.	2018_P6S_WG
K_W03	The graduate has a basic orientation in the evolution of literature on cultural institutions of the book and information.	2018_P6S_WG
K_W04	The graduate has a basic knowledge of the functioning of the various cultural and scientific institutions in society and the relations between them.	2018_P6S_WK
K_W05	The graduate has a basic knowledge of the place of bibliology and information science in the system of sciences and the links with other disciplines.	2018_P6S_WG
K_W06	The graduate knows and understands the directions of development of modern bibliology and information science.	2018_P6S_WG
K_W07	The graduate knows the basic terminology of bibliology, library studies, and information science and related disciplines.	2018_P6S_WG
K_W08	The graduate knows and understands the basic methods of disposal of collections and mediation (search, collection, development and selection of information sources and analysis and interpretation of texts/messages).	2018_P6S_WK
K_W09	The graduate is familiar with the basic methodology of the humanities and social sciences, whose methods are used in bibliology and information science.	2018_P6S_WG
K_W10	The graduate knows and understands the needs of different groups of participants of social life (educational, informational, compensatory, entertainment needs) and the organisation of services supporting the development of culture and science.	2018_P6S_WK
K_W11	The graduate knows and understands the basic concepts and principles of the applicable law, including library law, intellectual property protection, health and safety regulations, administrative procedure and the labour code applicable to library, information and publishing-related activities.	2018_P6S_WK
SKILLS		
K_U01	The graduate can apply basic theoretical knowledge from selected humanities and social sciences in recognizing the research needs of bibliology and information science.	2018_P6S_UW
K_U02	The graduate can apply basic knowledge from bibliology and information science and other disciplines to improve the quality of work in institutions of the book and information culture.	2018_P6S_UO
K_U03	The graduate can apply current international standards in terms of library, information and publishing work techniques.	2018_P6S_UW
K_U04	The graduate can independently acquire knowledge and develop research skills using different types of sources and works of different authors.	2018_P6S_UU
K_U05	The graduate can speak and write in a precise and coherent manner on selected bibliological issues and scientific information using different theoretical and documentary views.	2018_P6S_UK
K_U06	The graduate has the ability to communicate interpersonally with various types of stakeholders of cultural and scientific institutions.	2018_P6S_UK
K_U07	The graduate can communicate using different channels and communication techniques with users of cultural and scientific institutions.	2018_P6S_UK

K_U08	The graduate has the ability to design and organise library, information and publishing-related work.	2018_P6S_UO
K_U09	The graduate has the ability to animate work with different categories of clients of cultural institutions.	2018_P6S_UW
K_U10	The graduate has elementary organizational skills, is able to take and assign tasks, allowing the design and undertaking professional activities.	2018_P6S_UO
K_U11	The graduate can use legal and ethical norms in library, information and publishing-related activities.	2018_P6S_UW
K_U12	The graduate can identify different types of cultural creations among the creations of human activity.	2018_P6S_UW
K_U13	The graduate can carry out a critical analysis and interpretation of cultural creations using methods specific to bibliology, information science and related disciplines.	2018_P6S_UW
K_U14	The graduate can communicate in a foreign language at the B2 level on the topics related to bibliology and information science and understands foreign texts (in a selected language) related to bibliology, scientific information and related disciplines.	2018_P6S_UK
SOCIAL COMPETENCES		
K_K01	The graduate knows the extent of their knowledge and skills, understands the need for lifelong education and professional development.	2018_P6S_KK
K_K02	The graduate is open to new ideas, ready to change their mind in the light of the recent knowledge.	2018_P6S_KK
K_K03	The graduate can independently perceive, analyse problems at work and formulate proposals for solving them using their knowledge.	2018_P6S_KK
K_K04	The graduate can undertake professional team work in terms of the use of their professional knowledge.	2018_P6S_KK
K_K05	The graduate effectively organises their own work and critically assesses its level of advancement.	2018_P6S_KR
K_K06	The graduate understands and adheres to the ethical codes related to the profession.	2018_P6S_KR
K_K07	The graduate shows motivation to initiate cooperation and communicate with the social environment to promote and organise the activities related to the book and information.	2018_P6S_KO
K_K08	The graduate is aware of the responsibility for preserving the cultural heritage of the region, the country and Europe.	2018_P6S_KO
