

1.	Field of study	Theology
2.	Faculty	Faculty of Theology
3.	Academic year of entry	2025/2026 (winter term)
4.	Level of qualifications/degree	long-cycle studies
5.	Degree profile	general academic
6.	Mode of study	full-time

Code of the learning outcome of the programme	Learning outcomes The graduate:	Codes of the second-order PRK characteristics to which the learning outcome of the programme is related
KNOWLEDGE		
TMA_W01	knows and understands in a deeper way the specific subject matter and methodology of theology (in particular the specificity of biblical sciences, systematic theology, church history and patrology), which he is able to develop and creatively apply in his professional activity	2018_P7S_WG
TMA_W02	knows and understands in depth the subject-related and methodological specificity of philosophy (including ethics and bioethics) and canon law, which he/she is able to develop and apply in professional activity	2018_P7S_WG
TMA_W03	knows the terminology of theological sciences and its Greek-Latin roots in an orderly manner	2018_P7S_WG
TMA_W04	knows and understands in a structured and in-depth way the theory and methodology of theology, which provides the possibility of specialization within third-cycle studies	2018_P7S_WG
TMA_W05	knows and understands detailed knowledge of biblical theology in a structured, in-depth and specialised manner	2018_P7S_WG
TMA_W06	knows and understands in a structured, in-depth and specialised manner detailed knowledge of systematic theology (especially fundamental theology, dogmatic theology and moral theology), Church history and patrology	2018_P7S_WG
TMA_W07	knows and understands in a structured and in-depth way detailed knowledge of pastoral theology (especially liturgics, catechesis and homiletics)	2018_P7S_WG
TMA_W08	knows and understands in a deeper way the main principles of the evangelization, pastoral and charitable activity of the Catholic Church and the principles of ecumenical and interreligious dialogue	2018_P7S_WG
TMA_W09	knows and understands in a structured and in-depth way the knowledge of philosophy (including ethics and bioethics) and canon law	2018_P7S_WG
TMA_W10	knows and understands the process, conditions and threats to a person's religious and spiritual development	2018_P7S_WG
TMA_W11	knows and understands in a structured and in-depth way the contemporary teaching of the Catholic Church and the principles of Catholic social teaching	2018_P7S_WG
TMA_W12	knows and understands in a structured way the relations between theology and other fields of science (especially the humanities and social sciences), which allow for the substantive and practical integration of perspectives specific to several scientific disciplines	2018_P7S_WG
TMA_W13	knows and understands contemporary theological scientific achievements and the main research centers and schools; also has knowledge of them in the field of philosophy	2018_P7S_WG
TMA_W14	knows and understands the cultural role of the Church and theological sciences in the historical and social context	2018_P7S_WG
TMA_W15	knows and understands the principles of interpretation of theological texts	2018_P7S_WG
TMA_W16	knows and understands the consequences for theology of the complex nature of language and the historical variability of its meanings; at the same time knows and understands the regularities and processes of interpersonal and social communication	2018_P7S_WG
TMA_W17	knows and understands in-depth knowledge about cultural institutions and is oriented in contemporary cultural life (with particular reference to Christian culture)	2018_P7S_WG

TMA_W18	knows and understands the relationships between social structures and institutions and the processes of change that take place in the circle of cultures influenced by Christianity (especially in relation to its role in European culture)	2018_P7S_WK
TMA_W19	knows and understands in a deeper way the interactions between faith and reason in the scope of the dilemmas of contemporary man and the world, their references to selected anthropological and cosmological scientific concepts; knows and understands the knowledge about man as a creator of culture (especially in the scope of his religious activity)	2018_P7S_WG
TMA_W20	knows and understands the concepts and principles of copyright law and the need to manage intellectual property resources	2018_P7S_WK
MOB.2023_W01	has advanced knowledge of selected scientific or scholarly theories and methods, is familiar with the issues specific to the chosen academic discipline and understands its connection with the leading discipline of the degree programme	2018_P6S_WG
MOB.2023_jsm_W02_P	understands the relationship between entrepreneurship-related issues and the leading discipline of the degree programme, exhibits an entrepreneurial mindset	2018_P7S_KO, 2018_P7S_WK
OMU.2023_W01	has advanced knowledge of selected scientific theories and methods and is familiar with the issues specific to the selected academic discipline in the context of other disciplines	2018_P6S_WG
OOD.2024_W01	The student has in-depth knowledge of selected scientific methods and knows problems characteristic of a particular field of science unrelated to the leading discipline of the study programme.	2018_P7S_WG, 2018_P7S_WK
SKILLS		
TMA_U01	is able to search, analyze, evaluate, select and integrate information using various sources and formulate critical judgments on this basis using the acquired theological knowledge	2018_P7S_UW
TMA_U02	is able to make a reliable analysis of philosophical, biblical and theological texts, synthesize various ideas, views and complex problems by selecting adequate research methods and tools, and develop and present the results of his/her research in an original way	2018_P7S_UW
TMA_U03	is able to conduct basic research in the auxiliary disciplines of theology	2018_P7S_UW
TMA_U04	is able to interpret theological sources, also using foreign-language texts	2018_P7S_UW
TMA_U05	is able to independently plan and implement his/her own lifelong learning and direct others in this area; is able to acquire theological knowledge, expand his/her own research and popularization skills; is able to direct his/her own personal development and professional career as a theologian	2018_P7S_UU
TMA_U06	is able to integrate theological knowledge with other disciplines (especially the humanities and social sciences) and apply this knowledge in typical and atypical professional situations	2018_P7S_UW
TMA_U07	is able to integrate knowledge from various subdisciplines of theology, find connections between individual elements of the Christian doctrinal heritage	2018_P7S_UW
TMA_U08	is able to critically analyze and interpret various theological, ideological and cultural views in order to determine their meaning, place and social impact	2018_P7S_UW
TMA_U09	is able to provide substantive arguments and lead discussions of a worldview, theology and ecclesiastical nature, referring to his/her own views and those of other authors; is also able to formulate conclusions and synthetic summaries	2018_P7S_UK
TMA_U10	is able to conduct ideological, ecumenical and interreligious dialogue	2018_P7S_UK
TMA_U11	is able to formulate critical opinions about cultural products, referring to theological knowledge and experience; is also able to present elaborations of his/her own conclusions in various forms and using various media	2018_P7S_UK
TMA_U12	is able to correctly interpret and explain social phenomena and the mutual relations between them	2018_P7S_UW
TMA_U13	is able to use the normative systems and rules (dogmatic, ethical-moral, legal and professional) of the Catholic Church in order to solve specific problems	2018_P7S_UW
TMA_U14	is able to cooperate with other people in teamwork, in which he/she takes on different roles; is also able to manage the work of the team	2018_P7S_UO
TMA_U15	is able to creatively participate in various forms of evangelization, pastoral and charitable activities of the Catholic Church	2018_P7S_UW
TMA_U16	is able to communicate in Polish and in a selected foreign language with specialists in the field of theology and philosophy, history of the Church and canon law as well as with non-specialists in this field, using various communication channels and techniques; is also able to popularize knowledge about theology and products of Christian culture and its institutions	2018_P7S_UK
TMA_U17	is able to prepare written works in Polish and using a selected foreign language, which require advanced knowledge of the language in terms of its grammatical and lexical structures, with particular emphasis on elements of a specialist foreign language	2018_P7S_UK

TMA_U18	is able to prepare oral presentations in Polish and using a selected foreign language, which require advanced knowledge of the language in terms of its grammatical, lexical and phonetic structures, with particular emphasis on the elements of a specialist foreign language	2018_P7S_UK
TMA_U19	is able to include Latin, Greek and Hebrew sources in his research	2018_P7S_UW
TMA_U20	is able to use a foreign language at the B2+ level of the Common European Framework of Reference for Languages; searches for, selects, analyses, evaluates and classifies scientific information and is able to present it in the form of a written text or an oral statement in a foreign language	2018_P7S_UK
KJ.2023_U	clearly and comprehensibly communicates with others in a foreign language at the B2 level of the Common European Framework of Reference for Languages, making use of his/her knowledge and terminology	2018_P6S_UK
MOB.2023_U01	asks questions, analyzes research problems and finds solutions to them based on the knowledge, skills and experience he/she has gained within the chosen academic discipline in conjunction with the leading discipline of the degree programme; communicates the results of his/her work in a way which is clear and understandable not only to specialists	2018_P6S_UK, 2018_P6S_UW
OMU.2023_U01	has advanced skills in asking research questions, analyzing problems or providing practical solutions to them based on the knowledge, experience and skills gained within the chosen academic discipline in the context of other disciplines	2018_P6S_UW
OOD.2024_U01	The student has advanced skills to set scientific questions and analyse problems or to solve problems practically on the basis of the course content, experience and skills gained in a particular field of science unrelated to the leading discipline of the study programme.	2018_P7S_UW
SOCIAL COMPETENCES		
TMA_K01	is ready to critically evaluate the level of his/her own knowledge and the content received	2018_P7S_KK
TMA_K02	is ready to recognize the importance of knowledge in solving cognitive and practical problems; is also ready to independently and critically supplement his/her own knowledge, and in the case of difficulties in solving a problem, to seek expert opinion	2018_P7S_KK
TMA_K03	is ready to think and act in an entrepreneurial manner and to initiate activities for the social and ecclesial interest	2018_P7S_KO
TMA_K04	is ready to clearly define the priorities of his professional activity as a theologian, to develop the ethos of his profession, and to respect, strengthen and promote the ethical principles of his profession	2018_P7S_KR
TMA_K05	is ready to acknowledge the complexity of the surrounding reality and the need for an interdisciplinary approach to solving problems	2018_P7S_KK
TMA_K06	is ready to identify and resolve dilemmas of individual and social life (especially of a doctrinal and ethical-moral nature)	2018_P7S_KK
TMA_K07	is ready to take responsibility for the shape of social, ecclesial and cultural life	2018_P7S_KO
TMA_K08	is ready to develop the research and teaching achievements of its own theological center or another research or teaching school	2018_P7S_KR
TMA_K09	is ready to participate in cultural life and is interested in current cultural events	2018_P7S_KO
TMA_K10	is ready to initiate and participate in activities aimed at preserving the Christian and cultural heritage of the region, country and Europe	2018_P7S_KO
MOB.2023_K01	is ready to meet social obligations, co-organize activities for the benefit of the community and is open to scientific solutions to cognitive and practical problems	2018_P6S_KK, 2018_P6S_KO
OMU.2023_K01	acknowledges and makes use of knowledge from different disciplines and is ready to change opinion in the light of scientifically proven arguments	2018_P6S_KK
OOD.2024_KS01	The student has in-depth knowledge of selected scientific methods and knows problems characteristic of a particular field of science unrelated to the leading discipline of the study programme.	2018_P7S_KK

Code of the learning outcome of the programme	Learning outcomes related to becoming a qualified teacher The graduate:	Codes of the second-order PRK characteristics to which the learning outcome of the programme is related
KNOWLEDGE		
TnMA_W01	and understands in depth the terminology used to describe pedagogical phenomena and its application in related disciplines, as well as in relation to theology	2018_P7S_WG

TnMA_W02	knows and understands in an orderly and in-depth way the knowledge about the types of social and ecclesial bonds, the regularities that govern them and about various social structures and ecclesial institutions, as well as the relations between them	2018_P7S_WG
TnMA_W03	knows and understands in a structured and in-depth way the knowledge about various educational and catechetical environments, their specificity and the processes taking place in them	2018_P7S_WG
TnMA_W04	knows and understands in a structured and in-depth manner the knowledge about participants in educational, upbringing, care, cultural, assistance and catechetical activities and about the specific functioning of children and young people in the context of developmental regularities and irregularities	2018_P7S_WG
TnMA_W05	knows and understands the knowledge about designing a path for one's own development and professional advancement as well as the ethics of the teaching profession	2018_P7S_WK
KN.2023_W01	knows and understands the rudiments of the philosophy of education and pedagogical axiology, the peculiarities of the main educational environments and the processes taking place in them	
KN.2023_W02	knows and understands classical and contemporary theories of human development, upbringing, learning and teaching or education as well as their application values	
KN.2023_W03	knows and understands the role of the teacher or tutor in modeling the students' attitudes and behavior	
KN.2023_W04	knows and understands standards, procedures and good practices used in pedagogical activities (pre-school education, teaching in primary and secondary schools, in technical and vocational schools, in special needs schools and in special needs and inclusive facilities, in various types of educational centres and lifelong learning centres	
KN.2023_W05	knows and understands the issue of inclusive education as well as ways of implementing the principle of inclusion	
KN.2023_W06	knows and understands the diversity of students' educational needs and the resulting school's obligations to adapt the way the education and upbringing process is organized	
KN.2023_W07	knows and understands methods of designing and conducting diagnostic activities in pedagogical practice	
KN.2023_W08	knows and understands the structure and functions of the education system – objectives, legal basis, organization and functioning of different kinds of educational and child care institutions, as well as alternative forms of education	
KN.2023_W09	knows and understands the legal basis of the education system necessary for the proper implementation of educational activities	
KN.2023_W10	knows and understands the rights of the child and the person with disabilities	
KN.2023_W11	knows and understands the principles of occupational health and safety in educational, upbringing and care institutions and the legal responsibility of the teacher in this/her respect, as well as the principles of first aid	
KN.2023_W12	knows and understands interpersonal and social communication processes, the normal course they can take as well as the ways they can be disrupted	
KN.2023_W13	knows and understands the speech apparatus, its functions and pathologies, the principles of voice emission, the visual and the vestibular systems	
KN.2023_W14	knows and understands learning content and typical learning difficulties it poses for students	
KN.2023_W15	knows and understands teaching methods and the selection of effective teaching aids, including Internet resources which support teaching a subject or conducting classes, taking into account the diverse educational needs of the students	
SKILLS		
TnMA_U01	is able to use the acquired theoretical knowledge in the field of pedagogy and psychology and its connection with theology in order to analyze and interpret educational, upbringing, catechetical, cultural, care and assistance problems, as well as motives and patterns of human behavior	2018_P7S_UW
TnMA_U02	is able to assess the usefulness of typical methods, procedures and good practices for carrying out tasks related to various areas of pedagogical and catechetical activity using modern educational strategies	2018_P7S_UW
TnMA_U03	is able to design a plan for one's own professional development, as well as to analyse one's own pedagogical and catechetical activities and indicate possible areas requiring modification in future activities	2018_P7S_UU
KN.2023_U01	is able to observe pedagogical situations and events, to analyze them using pedagogical and psychological knowledge and to propose solutions to problems	

KN.2023_U02	is able to adequately select, create and adapt materials and means to the diverse needs of the students, including in the field of information and communication technology, as well as methods for independent design and effective implementation of pedagogical, didactic, educational and child care activities	
KN.2023_U03	is able to recognize the needs, abilities and talents of students and to design and conduct activities promoting the integral development of students, their activity and participation in the process of education and upbringing, and in social life	
KN.2023_U04	is able to design and implement curricula taking into account the diverse educational needs of the students	
KN.2023_U05	is able to design and implement educational-preventive programs concerning the content and educational as well as preventive activities directed at students, their parents or guardians and teachers	
KN.2023_U06	is able to create training situations motivating students to study and to work on themselves, to analyze their effectiveness and modify activities so as to achieve the desired educational effects	
KN.2023_U07	is able to undertake work with students that stimulates their interests and develops their talents, to properly select teaching content, tasks and forms of work as part of self-education, also to promote students' achievements	
KN.2023_U08	is able to develop in students creativity and the ability of independent, critical thinking	
KN.2023_U09	is able to effectively stimulate and monitor students' teamwork involving educational projects	
KN.2023_U10	is able to use the process of assessment and feedback in order to stimulate students in their work on their own development	
KN.2023_U11	is able to monitor students' progress, their activity and participation in the social life of the school	
KN.2023_U12	is able to work with children with special educational needs, including children with adaptation difficulties related to their migration experience, who come from culturally diverse backgrounds or with limited knowledge of the Polish language	
KN.2023_U13	is able to responsibly organize the students' school and extracurricular work, respecting his/her right to rest	
KN.2023_U14	is able to effectively implement activities supporting students in making informed and responsible educational and professional decisions	
KN.2023_U15	is able to use the Polish language correctly; to use subject-related terminology correctly and adequately to the age of the students	
KN.2023_U16	is able to use the speech apparatus in accordance with the principles of voice emission	
KN.2023_U17	is able to provide first aid	
KN.2023_U18	is able to develop knowledge and pedagogical skills on one's own, using various sources, including sources in foreign languages, as well as technology	
SOCIAL COMPETENCES		
TnMA_K01	is ready to undertake individual and team activities in the pedagogical-catechetical and socio-ecclesial forum (is convinced of their meaning, value and need); is also ready to take on professional challenges in the field of school and extracurricular catechesis	2018_P7S_KO
TnMA_K02	is ready to perceive and solve moral and ethical dilemmas related to human activity; demonstrates the characteristics of a reflective practitioner	2018_P7S_KR
TnMA_K03	is ready to identify with the values, goals and tasks implemented in pedagogical and catechetical practice; is distinguished by prudence, maturity and commitment in designing, planning and implementing pedagogical and catechetical activities	2018_P7S_KR
TnMA_K04	is ready, by referring to expert knowledge, to critically evaluate the level of his/her knowledge and skills; is also ready for continuous personal development and professional improvement in the field of pedagogical and catechetical competences	2018_P7S_KK
KN.2023_KS01	is ready to use universal principles and ethical standards in professional activity, guided by respect for every human being	
KN.2023_KS02	is ready to build a relation based on mutual trust between all participants of the upbringing and education process, including the student's parents or guardians, and involving them in activities conducive to educational effectiveness	
KN.2023_KS03	is ready to communicate with people from different backgrounds, exhibiting diverse emotional states, resolving conflicts through dialogue, creating an atmosphere conducive to communication in and outside the classroom	
KN.2023_KS04	is ready to make decisions related to the way the educational process is organized in inclusive education	
KN.2023_KS05	is ready to recognize the peculiarity of the local community and to engage in cooperation for the benefit of the students and the community	

KN.2023_KS06	is ready to design activities supporting the developing of the school or the educational institution and stimulating the improvement of the quality of work of these institutions	
KN.2023_KS07	is ready to work in a team, performing various roles in it and cooperating with teachers, tutors, specialists, students' parents or guardians as well as other members of the school and local community	

Code of the learning outcome of the programme	Learning outcomes required to undertake the ministry of a priest in the Catholic Church The graduate:	Codes of the second-order PRK characteristics to which the learning outcome of the programme is related
KNOWLEDGE		
TkMA_W01	knows and understands in a structured, in-depth manner leading to specialization, detailed knowledge of pastoral theology and theology of spiritual life and the related fundamental dilemmas of contemporary civilization	2018_P7S_WG, 2018_P7S_WK
TkMA_W02	knows and understands in a structured, in-depth manner leading to specialization, detailed knowledge of liturgy and liturgy, the rituals of the Catholic Church and popular piety, as well as the fundamental dilemmas of contemporary civilization related to it	2018_P7S_WG, 2018_P7S_WK
TkMA_W03	knows and understands in a deeper way the knowledge of the theology of the Word of God and the sacraments and the related fundamental dilemmas of contemporary civilization	2018_P7S_WG, 2018_P7S_WK
TkMA_W04	knows and understands in a structured, in-depth and specialization-oriented way, detailed knowledge of canon law and the related fundamental dilemmas of contemporary civilization	2018_P7S_WG, 2018_P7S_WK
TkMA_W05	knows and understands in a structured, in-depth and specialised way the detailed knowledge of the evangelisation, pastoral, ecumenical and charitable activities of the Catholic Church and the fundamental dilemmas of contemporary civilisation related to them	2018_P7S_WG, 2018_P7S_WK
SKILLS		
TkMA_U01	is able to undertake and fulfill general and specialized pastoral tasks of the Catholic Church	2018_P7S_UW
TkMA_U02	is able to popularize and convey theological knowledge and share religious and spiritual experience, especially through pastoral ministry in the Catholic Church	2018_P7S_UK
TkMA_U03	is able to prepare and deliver homilies and other presentations related to pastoral activities	2018_P7S_UK
TkMA_U04	is able to perform the liturgy and rites of the Catholic Church	2018_P7S_UW
TkMA_U05	is able to organize parish pastoral, ecumenical and charitable activities; is also able to animate the activities of small groups	2018_P7S_UO
TkMA_U06	is able to undertake lifelong personal and religious-spiritual development and guide the religious-spiritual development of others	2018_P7S_UU
SOCIAL COMPETENCES		
TkMA_K01	is ready to correctly identify and resolve doctrinal and ethical-moral dilemmas related to pastoral work; is also ready to appeal to expert knowledge	2018_P7S_KK
TkMA_K02	is ready to participate in and lead ecclesial and social activities; is also ready to anticipate the multifaceted social and ecclesial effects of his pastoral activity	2018_P7S_KO
TkMA_K03	is ready to think and act in an entrepreneurial manner in the field of activities aimed at preserving the heritage of Christian culture and in relation to the material goods of the Church	2018_P7S_KO
TkMA_K04	is ready to take on difficult tasks related to pastoral work and the socio-ecclesial function performed	2018_P7S_KR
